Mat McLachlan
BATTLEFIELD TOURS

An unforgettable journey to Australia's hallowed battlefields

Mat McLachlan Battlefield Tours is Australia's leading battlefield tour company. Every year we send hundreds of students and cadets on tours of hallowed Australian battlefields all over the world. Your school or cadet unit could join them – speak to us today about designing a customised itinerary for your group.

The Mat McLachlan Battlefields Tours difference:

- **The best historians:** Mat McLachlan is Australia's leading battlefield historian. He is the author of *Walking with the Anzacs*, the definitive guide to the Australian battlefields of the Western Front, and appears regularly on The History Channel, Sunrise with Mel and Kochie and ABC TV. Mat personally designs our customised group itineraries in consultation with the school or cadet unit.
- **Customised itineraries:** We can fully tailor your battlefield tour to visit the sites that are most important to you, and to fit in with your budget
- **Life at the Front:** We are the only tour company that offers the immersive Life at the Front experience, where students or cadets spend a full day dressed and equipped as an Australian First World War platoon. They will practice dressing, marching and drilling with authentic equipment on an actual First World War battlefield – we can't send them back in time, but this is the next best thing!
- **Quality accommodation and transport:** All our groups travel in extremely comfortable air-conditioned coaches, and we have a range of accommodation options to fit in with any budget.
- **Discounted airfares:** Our strong relationships with international airlines mean that we can negotiate group airfare deals at considerable discounts.
